

42k Your Way

YOUR IMPACT

to go the distance for sick kids

Your participation in 42k Your Way will help us work wonders for sick and injured kids by funding life-saving medical research, investing in vital new equipment, and providing support and entertainment for children and their families.

\$27

Can put a smile on a kids face as they unwrap a gift in hospital on their birthday or Christmas.

\$56

Can help purchase state-of-the-art medical equipment to help diagnose life-threatening conditions faster.

\$107

Can help fund a Music Therapy session to help sick kids on their road to recovery to help reduce pre-surgery anxiety and distress.

\$250

Could fund research to improve treatment and quality of life for children with brain cancer.

\$500

Could support basic experiments testing a new drug against a banked patient sample.

\$1,000

Could provide the use of vital equipment researchers need to help them find better ways to treat leukaemia.

\$2,500

Could pay for a pharmaceutical fridge for the storage of patient specimens and reagents.

\$5,000

Could fund patient participation costs for a clinical research study for a year.

THANK YOU for your incredibly hard work and dedication to ensure that every sick child can have the best possible health care, with access to world-class research and clinical treatment in a healing environment.
